Alumnae in Transition

Congratulations to Margaret Blastorah, DWNLI #2 on her appointment as Director, Nursing Knowledge, Research & Innovation at Sunnybrook Health Sciences Centre in Toronto.

Congratulations also to Fay Lim-Lambie, HLI #1, on her appointment as Director of Professional Practice and Research at St. John's Rehabilitation Hospital in Toronto.

Sad News

It is with sadness that we inform you that Darlene Koroluk, who attended Institute #8 in May 2005 on a student bursary, passed away last month. Darlene had been a stay-at-home mom for many years. After obtaining her Master's degree, she landed her dream job as a professor at Humber Institute of Technology & Advanced Learning. We join her family, friends and colleagues in mourning her loss. In honour of Darlene's memory, we made a donation to the Dr. Sheila Basur Oncology Nursing Scholarship fund.

Words of Inspiration for 2008

We wish you enough sun to keep your attitude bright no matter how gray the day may appear.

We wish you enough rain to appreciate the sun even more.
We wish you enough happiness to keep your spirit alive and everlasting.
We wish you enough pain so that even the smallest of joys in life may appear bigger.
We wish you enough gain to satisfy your wanting.
We wish you enough loss to appreciate all that you possess.
We wish you enough hellos to get you through the final good-bye.
TAKE TIME TO LIVE.....

**TO ALL OUR FRIENDS AND COLLEAGUES,
WE WISH YOU "ENOUGH" IN 2008!**
